Food For Thought:
Do you want revival? Is Jesus first in your life? Put Him first and revival will come.
Dr. Jack Hyles, a Baptist pastor who died in 2001 wrote these words, in part, in 1970 but are very applicable today. “Now, I found something very interesting, and I want to share it with you. I don't know if I ever found this before; but recently when going through the Bible, I found something of tremendous interest. I was thinking about the new year, the fact that we are in a new year, and that we ought to put Jesus first, when I

Did you know that of the 27 books in the New Testament, 23 of them jump right into Jesus in the first verse? Jesus first… Now, could that not be saying to us that in everything we do, Christ ought to be first? He ought to be the very first in our music. He ought to be the very first in our preaching. He ought to be first at the school.

2 Corinthians 8:20-21
20-Avoiding this, that no man should blame us in this abundance which is administered by us:
21-Providing for honest things, not only in the sight of the Lord, but also in the sight of men.

Now, I found something very interesting, and I want to share it with you. I don't know if I ever found this before; but recently when going through the Bible, I found something of tremendous interest. I was thinking about the new year, the fact that we are in a new year, and that we ought to put Jesus first, when I came across this.

He says, “But seek ye first the kingdom of God and his righteousness; and all these things shall be added unto you.” …That means at school in 1970, Jesus Christ ought to be the very biggest thing in your life. That means where you work in 1970, Jesus Christ ought to be the biggest thing in your life. That means at home, on the job, everywhere you go, Jesus ought to be first, for every book in the New Testament, save three, starts off with a direct mention of the Lord Jesus Christ… You can check the entire New Testament and you will find it doesn't matter who the people were. It doesn't matter where the nation was. It doesn't matter what the circumstances were. The need was the Lord Jesus Christ.”

Yours in Christ,
Bro. John
